**GARNISHMENT HEARING DECISION**

Dear Ms. [REDACTED]

This letter presents the findings and conclusions reached after the recent hearing requested by you regarding an objection to collection of a defaulted student loan account held by the U.S. Department of Education, Federal Student Aid, through wage garnishment action. This decision was rendered after careful review of your arguments and all available records related to your account, including those submitted by you and those held by the Department. Our findings are conclusive and constitute the Department's final decision on your objections.

Evidence considered:

- Your Request for Hearing
- Your financial statement
- Pay stubs and income statements
- Expense statements
- Financial Hardship Calculation Worksheet

Decision:

The Department has determined that your wages are subject to a garnishment order, as proposed in the notice. However, the Department has determined that garnishment of your wages would create a financial hardship. Therefore, we have temporarily suspended garnishment action. This temporary suspension applies to collection by wage garnishment only.
