KELLY ANDERSON

Total and Permanent Disability Servicing Unit

Account Number: [REDACTED]

Dear KELLY ANDERSON:

As we notified you in a previous letter, the U.S. Department of Education (the Department) recently approved your Total and Permanent Disability (TPD) discharge application requesting discharge of your William D. Ford Federal Direct Loan (Direct Loan) Program loan, Federal Family Education Loan (FFEL) Program loan, Federal Perkins Loan (Perkins Loan) Program loan, and/or your Teacher Education Assistance for College and Higher Education (TEACH) Grant Program service obligation. Throughout this letter, we use the term "loan" to refer to one or more loans. In addition, we will use the terms "you" and "your" to refer to the disabled individual who applied for discharge, PEDRO GONZALEZ.

Nelnet assists the Department in administering the TPD discharge process, and we will communicate with you on behalf of the Department concerning your discharge request.

We have received and the Department has discharged the federal student loan or TEACH Grant service obligation identified below on the basis of your total and permanent disability. This cancels your obligation to repay the loan or complete the teaching service you agreed to perform as a condition for receiving a TEACH Grant. We will now report to national consumer reporting agencies that your loan has been discharged.

Holder Name	Holder Phone	Type	Date	Amount	School ID
AES	(800)-233-0557	FFEL Consolidated	08/24/2007	\$9,351	N/A
AES	(800)-233-0557	FFEL Consolidated	08/24/2007	\$9,316	N/A

Although your loan or TEACH Grant service obligation has now been discharged, you are subject to a 3-year post-discharge monitoring period, as we explained when we previously notified you that the Department had approved your discharge request. If you do not meet the requirements that apply during this monitoring period, your obligation to repay your discharged loan or to complete your discharged TEACH Grant service obligation will be reinstated. Carefully read the information below about the post-discharge monitoring period.

WHAT YOU NEED TO KNOW:

Three-Year Post-Discharge Monitoring Period:

You are subject to a monitoring period that will end three years from 09/30/2014. We will reinstate your obligation to repay your discharged loan or complete your discharged TEACH Grant service obligation if at any time during this monitoring period:

- You have annual employment earnings that exceed the Poverty Guideline amount for a family of two in your state, regardless of your actual family size (see www.disabilitydischarge.com for additional information);
- You receive a new Direct Loan, Perkins Loan, or TEACH Grant;
